

Introducing the Kingston Wharves Mobile App

Shipping and Clearing Goods Just Got Easier

Pay for Any Shipment, from
Anywhere at Any Time

KINGSTON WHARVES LIMITED

PAY FOR SHIPPING SERVICES AT YOUR CONVENIENCE

The KW Mobile App puts payment for shipping services right at your fingertips.

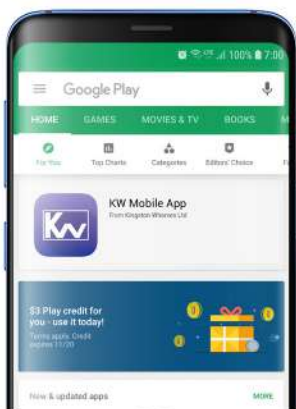

The latest in a suite of online payment services, KW Mobile allows anyone, from anywhere in the world to pay anytime of the day or night.

Once you have the Bill of Lading number, you can pay all Kingston Wharves charges for any shipment.

With KW Mobile, no in-store payment at Kingston Wharves is required.

THREE SIMPLE STEPS TO USE KW MOBILE

1
**Download
and Register
with the App**

- | You will need an android mobile phone/device.
- | Download the free app from the Google Play Store.
- | Get your registration code by email.
- | Use the code to complete the registration process.

2

Register Your Card

After registering with the app, you will need to register your credit card.

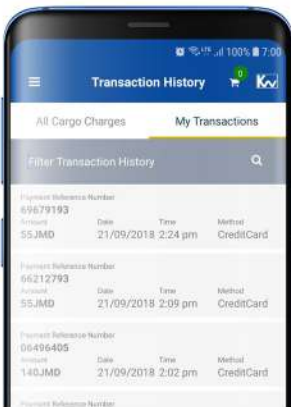

For verification, a small refundable sum will be charged to your card.

Check your credit card's online platform or call your bank to verify the debited amount.

Return to the app's card registration section to enter the verified amount.

Select 'confirm card' to complete the authentication process.

You may register more than one card.

3

Do Your Transaction

To do a transaction, you will need the Bill of Lading number for the relevant shipment.

Select your clearance date so that your total payment will include storage, if applicable.

After you pay, KW Mobile generates a confirmation and a receipt which is emailed to you.

Keep the receipt to clear your goods.

For your security, KW Mobile does not store your credit card number; so you will need to re-enter your card number for each transaction. However, you don't have to verify the card again.
