

KWL at a Glance

KINGSTON WHARVES LIMITED

(KWL) is consistently recognized as the Region's leading Multipurpose Port Terminal Operator, connecting our nation's importers and exporters to over 45 international ports in the **Caribbean, Latin and North America.**

The Caribbean's Leading Multi-Purpose Multi-User Port Terminal

KINGSTON WHARVES LIMITED

OUR BUSINESS

The Kingston Wharves Group has been on a steady growth path since its inception in 1945, marked by increased profitability and competitiveness. By embracing an expansive, yet focused vision and prudent management, KWL operational excellence continued to raise the bar in service delivery and in addition to its core business of terminal operations and logistics, the KWL Group now operates subsidiaries that provide cold storage rental, industrial and port security services, and skilled labour for terminal operations.
